» SUMMARY

I am a passionate Full Stack Web Developer with hands-on experience in developing responsive, scalable, and user-centric web applications. During my time at Elem Consumer Tech Pvt. Ltd., Roorkee, I contributed to building and enhancing company websites, ensuring seamless user experience and improved performance. Alongside my corporate work, I also operate as a freelancer on Fiverr, where I have successfully delivered fully functional websites using technologies like WordPress, Shopify, and modern JavaScript frameworks, customized to match client requirements and business goals.
